## Background to the school

The Kingston Academy is an ambitious school set up by The Kingston Educational Trust, a partnership between Kingston University, Kingston College and Royal Borough of Kingston. The overriding aim of the school is to provide our pupils with an outstanding education and, in line with our school motto, to go beyond what schools ordinarily do. TKA first opened its doors to Year 7 pupils in September 2015. The school is now full having grown by a single year group each year since it was founded.

As a school, we offer a traditional core curriculum grounded in the basics of numeracy and literacy, merging the very best of traditional pedagogical practice with cutting edge new technology. All our pupils use Chromebooks to take advantage of the many benefits of eLearning in furthering education. All pupils will take either 9 or 10 GCSE subjects depending on whether they take separate sciences or the combined science award.

The Kingston Academy is an inclusive school that focuses on the serious business of achievement for our pupils. Pupils are expected to behave well, work hard and embrace all the opportunities presented to them. The school nurtures respect, responsibility, reflectiveness and collaboration. Above all, the focus of the school is to ensure that pupils will move forward in life as kind, resilient, confident individuals who are equipped to make a positive contribution, anywhere in the world.

A distinctive feature of the school is that pupils take part in our enrichment programme delivered by all teaching staff and external providers. There are an abundance of exciting enrichment opportunities for pupils to explore in sport, enterprise, music, community engagement and cultural events. Enrolment in our enrichment programme is compulsory for pupils, but they are also encouraged to look beyond their own school and engage with the community around them and all it has to offer in other local schools and local organisations.
